Dear Parents & Carers

Christmas is around the corner! Our beautiful tree looks spectacular in reception and our youngest children are working hard on their nativity performance.

Two wonderful visits also took place this week. Year 2 had a great adventure day at the zoo and our Year 4 team had a wonderful Tudor treat at Gainsborough Old Hall as part of their history learning. I felt so proud to hear how wonderfully all of our children behaved to ensure everyone had a great time.

Our Reception classes are off to the theatre next week.

Our last day of school is Monday 21st December. This will be a celebration day in school – there will be special assemblies to celebrate achievements and an array of exciting Christmas-themed events and crafts for the children to enjoy. It will also be a non-uniform day when children are invited to wear their favourite clothes. (Hopefully this will save an extra load of uniform washing just before Christmas)!

Best wishes

Sporting Fun

Our football team were in action on Tuesday evening as they played a friendly match against Sneinton C of E. As usual, the children showed great team spirit. It's really hard to practice for football matches as we have no school field here at Windmill. However, this did not get in the way of a fun game.

Our Basketball Team continued with their success in an away match at Jesse Grey School on Wednesday evening.

It is fantastic that our sports teams have so many opportunities to represent Windmill.
