

Dear Parents and Carers,

We hope you are all staying safe and having fun learning at home.

We have recently signed up to an online learning platform called Seesaw to help us stay in touch with you and your children. This can be used on any device that is connected to the Internet.

Teachers will set work on here that is relevant for your child and their learning each week. You can then upload a picture, video, voice recording or link in response to the activities that your child's teacher has set and receive feedback from your child's teacher.

This will be a brilliant tool for us to see the learning that you are doing with your child at home.

Each child will have a separate log-in code to access the platform at home. We are working hard with our IT department to get these sorted and will be texting these out to you very soon, so please make a note and keep this safe.

The platform is easy to use, but you can also go to <https://web.seesaw.me/home-learning> for step-by-step instructions.

We look forward to connecting with you on Seesaw.

Kindest Regards

Miss Spencer
