

Art	
Aspect	C: 3D Art
Year Group	
Year 1	1. I can use a range of materials in a collage to express my ideas.
Year 2	1. I can manipulate materials to make a sculpture with meaning, through both modelling and casting
Year 3	1. I can sculpt with clay effectively to make a model similar to my intended design 2. I can roll balls and snakes; I can pinch, pull and hollow clay. I can smooth out clay.
Year 4	1. I can sculpt with clay with increasing ease, ensuring my sculpture is very close to my intended design 2. I can roll balls and snakes; I can coil, pinch, pull and hollow clay. I can smooth out and add to clay. 3. I can begin to carve and subtract when sculpting with clay 4. I can sculpt with wire to create sculptures showing movement.
Year 5	1. I can manipulate materials to create a complex sculpture, through both modelling and casting
Year 6	1. I can sculpt with clay with ease, creating complex sculptures 2. I can carve intricate designs when sculpting with clay
